# SEIU HEALTHCARE WI KICKS OFF FINAL DAY OF GOTV EFFORT

*Together with SEIU International Reaching 3.7 Million Voters*

**MILWAUKEE:** More than a hundred volunteers, SEIU International President Mary Kay Henry, and SEIU Healthcare Wisconsin President Dian Palmer will kickoff our last “get out the vote” effort on Tuesday, November 6<sup>th</sup> at 8 AM at the OFA office (8550 W. Brown Deer Road) in Milwaukee.

SEIU members believe we need to create more good jobs, make everyone pay their fair share, stop cuts to vital services and create a healthcare system that works for everyone.

**That is why SEIU members have been in the streets knocking doors since June fighting to re-elect President Barack Obama** on November 6. Together, we’re making *the* difference:

- More than **100,000 SEIU member volunteers on the ground** will knock more than **3.7 million doors** by November 6.
- In the weeks leading up to the election we have been knocking on **100,000 doors a day**.
- With our partners, we’ve **registered 745,000 new voters**.
