

**UAW Local 833** is currently on strike over wages for our Tier B employees who cannot sustain a quality of life living. Although the strike is only one week old, we are seeking

nonperishable donations such as: cereal, canned goods, boxed dinners. There is a special need for diapers, formula, baby wipes. The Tier B people that we are fighting for are earning such a low wage that they live day to day. Any personal donations to directly support these people may be sent to UAW Local 833, 5425 Superior Avenue, Sheboygan, WI 53083. (920) 458-2173. Donations can also be delivered to SEIU Healthcare Wisconsin Offices in Milwaukee and Madison.

Donations  
Are Needed
